Introduction

Depp Token is a fantastic project for those who want to support Johnny Depp, fight against domestic violence and start your pirate life, earn money and conquer the ocean.

Why invest in Depp Token ?

Depp Coin will set up its Metaverse in the future and its black market, where you can sell your tokens to various anonymous creatures from the outer world. The first owners of Depp Token will be able to look for mystery islands, discover treasures, build their naval army and rule an empire of prosperity that lasts for eternity.
